

## Durham Region Chambers of Commerce and Boards of Trade Launch the Durham Business Alliance

**DURHAM REGION, January 5, 2022** - Durham Region is home to an incredible and diverse business community. For that reason, chambers and boards of trade across the Durham Region have joined forces to create the Durham Business Alliance.

Representing over 2,500 businesses members, the Durham Business Alliance came together to represent the collective interests of the business community in the Durham Region. As members of chambers and boards of trade, our business membership reflects the strength and diversity of the region and unites to advocate, collaborate, and engage. We'll continue to speak for the businesses that keep this region growing!

Our mission is to empower, connect and advocate for business community across the Durham Region. Our vision is to create an alliance of chambers & boards of trade to add-value & benefit for business members across the Durham Region.

Watch for upcoming opportunities to network, advocate and participate in partnered programming.

- 30 -

*The Durham Business Alliance provides a collaborative platform by offering programs and implementing initiatives that support the needs and growth of the business community. Individually, they represent an array of business sectors and small to large organizations. For more information and to learn more about the benefits of membership, reach out to your local chamber of commerce or board of trade.*
