Assist Fire Dep't  
Death Notifications  
Funeral Escort  
Homicides  
Bank Robbery  
Keep the Peace  
Impaired Driver  
Prisoner Escort  
Elder

## **Future Challenges – Finding Efficiencies**

- Continuous Improvement Program (CIP) currently underway to improve efficiency and effectiveness
- Participating in provincial and national discussions on rising costs and sustainable policing models

## **Finding Efficiencies**

- Adjusted patrol boundaries to align with physical barriers instead of political boundaries
- Proactive, intelligence-led, problem solving approach well-established now in our organization

## Finding Efficiencies

- Hub Model brings human service agencies together to solve local issues
