Dear Minister MacCharles

On behalf of the Ajax-Pickering Board of Trade, we would like to extend our thanks to you and your staff for your efforts in organizing the meeting on November 27th to discuss the proposed Ontario Retirement Pension Plan (ORPP) with yourself and Minister Hunter.

As the voice of business in Ajax-Pickering, we understand the challenges faced by both employers and the self-employed in our community and were pleased that the tone of the meeting was frank, open, collaborative and respectful.

This issue has the potential to have an impact on all our members. Therefore, as an interested stakeholder, we are hopeful that the channels of dialogue remain open and that we be made aware of any significant developments that arise.

Once again, we'd like to thank you for helping to arrange this very fruitful meeting with us and listening to the concerns of our members. We also thank you for the work you do every day as the MPP for Pickering/Scarborough East.

Yours Sincerely
